Dear Ms. Roque and Ms Angelo:

Before I write the court to alert them that I haven't received follow-up discovery from your office post Hon. Judge Polk Failla's 11/30/20 order to immediately unhand all materials to me, I thought I would give you the benefit of the doubt and double-check with you to make sure you haven't sent something to me via snail mail that I haven't received yet?

Also there is nary a response from your office to Hon. Judge Polk-Failla's order that was due filed on January 11, 2021 to my demands for explanation as to why I have been given discovery materials that have been forged, withheld for nine years and partially destroyed.

Please don't force me to write Hon. Judge Polk-Failla and ask her to hold you in contempt. It is time for your office to adjust its posture towards me and to steward an honest closure of these proceedings.
